KATA PENGANTAR

Alhamdulillahirabbil'alamin. Segala puji bagi Allah SWT atas limpahan nikmat dan hidayah-Nya, sehingga Buku Bahasa Inggris untuk Keperawatan (*English for Nursing*), buku yang ditujukan untuk pembelajaran Bahasa Inggris untuk Keperawatan di lingkungan Perguruan Tinggi Muhammadiyah-'Aisiyyah dapat diselesaikan. Harapannya, buku ini dapat meningkatkan dan menyeragamkan kualitas pembelajaran Bahasa Inggris di Program Studi Ilmu Keperawatan lingkungan Perguruan Tinggi Muhammadiyah-'Aisiyyah. Karenanya, buku ini menjadi rujukan penting untuk program studi terkait.

Buku ini merupakan bagian dan luaran dari Pelatihan Dosen Bahasa Inggris (*English Teacher Training*) yang diselenggarakan oleh Majelis Pendidikan Tinggi Penelitian dan Pengembangan - Pimpinan Pusat Muhammadiyah bekerjasama dengan Universitas Muhammadiyah Semarang dan TAFE Holmesglen Institute, Australia. Penerbitan buku ini sebagai wujud nyata Perguruan Tinggi Muhammadiyah-'Aisiyyah untuk terus berupaya mengembangkan ilmunya bahkan di tingkat internasional. Dengan sejumlah 164 Perguruan Tinggi Muhammadiyah-'Aisiyyah, Muhammadiyah terus berperan aktif dalam melahirkan karya-karya Islami, ilmiah, serta modern berbasis Islam yang Berkemajuan.

Kami mengucapkan terima kasih kepada Pimpinan Perguruan Tinggi Muhammadiyah-'Aisiyyah yang mengirimkan dosennya di *English Teacher Training* Batch 4 di Semarang, kepada Holmesglen Institute Australia, dan Universitas Muhammadiyah Semarang sebagai tuan rumah pelaksanaan *English Teacher Training* Batch 4 sehingga dapat terlaksana *English Teacher Training* Batch 4 yang terdiri atas 3 fase pelatihan: metode pembelajaran secara tatap muka di Semarang, pendampingan dan implementasi, serta penulisan buku *English for Nursing*. Apresiasi juga Kami sampaikan kepada para peserta yang telah serius mengikuti pelatihan yang panjang ini sehingga dapat menerbitkan buku yang sangat bermanfaat ini.

Semoga buku ini menjadi pedoman dalam mencapai tujuan yang diharapkan dan secara khusus memberikan pedoman praktis dan ringkas untuk pembelajaran Bahasa Inggris untuk Keperawatan. Kami berharap dengan adanya buku ini Perguruan Tinggi Muhammadiyah-'Aisiyyah dapat berkiprah lebih luas dan global, sebagaimana harapan yang dijadikan tema Muktamar Muhammadiyah ke-48, "Memajukan Indonesia, Mencerahkan Semesta". Aamiin.

Prof. H. Lincoln Arsyad, M.Sc., Ph.D.

It is with great pride that I commend this publication to you. It represents so much more than the collection of carefully worked through teaching resources presented here. The resources themselves are properly contextualised, developed for the needs of the students and the teaching and learning culture specific to Muhammadiyah universities, but it is the spirit of collaboration facilitating their creation that is remarkable. Teachers have come together across Indonesia and across disciplines (English and Nursing) to generate new productive professional networks for lasting benefit. My sincere wish is that these connections nurture consistency, quality and great results. I also encourage new collaborative enterprises that may flow from completing this work.

As educationalists we celebrate learning. In facilitating this project, we at Holmesglen have learned much from you and find so much to respect and value in the partnership between our organisations. Long may these learning partnerships continue!
