Additional Comment::

Please carefully review and revise the grammar mistakes of the manuscript. Important statements especially in the abstract should be written in present tense and not in past tense.
Please add more discussion parts comparing the results to theoretical knowledge or similar studies performed earlier.
Please try to shorten and make more concise manuscript.

Reviewer B:

Additional Comment::

1. Please add more up to date references
2. Please cite all figure table and references into the manuscript. Figure other than of the experiment result, i.e from reference should be removed from the manuscript

Dear Mr. Nuryono,

To fulfill one of the requirements of the dissertation result seminar exam, I need a letter of acceptance of article that I have submitted and been declared to be accepted by the editor and will be published. For that I ask to be given a letter of acceptance of my article, with ID 22640. For your help I say many thanks.

Best regards,

Ika Yuni Astuti
