Dear Editor

Here i want to pay the publication fee. I must pay 537 USD. It's the same as 36436 INR? Because when i pay by western union using PT POS Indonesia, i must pay by IDR to INR (by system). If the same, i will pay by using western union PT POS Indonesia about 36436 INR. (1 USD = 14.310 IDR).

Best regards
Diniatik
